

## **Transportation Options to the Conference Venue**

Dear participants

Those of you who have chosen to use other hotels than the two proposed by local organization, please notice: The Conference Venue is National Technical University of Athens- Zographou Campus. Four conference rooms are available which are located not at the School of Rural and Surveying Engineering but at the **Central Administration Building** (Main Hall - Plenary Session) and at the **Multimedia Building** (4 rooms). The two locations are opposing each other at a distance of approximately 50 meters.

The registration and opening plenary session will take place at the Central Administration Building, ground floor, **Main Hall**.

Transportation options available are the following:

1. Take the **Metro Line 3 direction** Ethniki Amyna or Doukisis Plakentias or Airport to reach Katechaki station and then exactly at the opposite site of the Metro station you find the bus station to NTUA. Bus Nr. 242 enters the NTUA Campus

*COST A22 Final Conference - Athens 9-11/7/2007*  
*Location of Conference Sessions*

area from Kokkinopoulou gate, where you have to step out in the first station within the Campus. Next to the station you will find a pedestrian zone which brings you to the Multimedia Buildings (located next to the NTUA Central Library building).

2. Second option is to take Bus Nr. 608 from the center (Acadimias avenue, some stations near Syntagma avenue etc., you can ask your hotel), which leaves you to the next parallel street to the Hroon Polytexniou Gate. As you reach the Gate, exactly opposite you find also a pedestrian zone (stairs) which will drive you to the Central Administration Building and Multimedia Building.

Nevertheless, you still have the option to use the shuttle bus arranged by local organizers, which will depart at specific time (to be defined) from the two Conference hotels. In case you follow this option, you take the METRO line 2 (next to your hotel) direction Ag. Dimitrios, step out in Syntagma station and then take Metro Line Nr. 3 direction Ethniki Amyra or Doukisis Plakentias or Airport and step out to the next station (Evangelismos Station – one station from Syntagma). The two Conference hotels are very close to that station (see instructions in the COST A22 site on how to reach conference hotels from the airport).

Please let us know your preference in order to arrange things.

Kind regards

The Local Organizing Committee

Sessions

DATES / HOUR  ROOM	9/7				10/7				11/7		
	9.30-11.00	MAIN HALL ADMINISTRATION BUILDING				A1	A2	A3	A4	A1	A2
